# Time and The Tide

With ceaseless cadence, the full tide flows in and, meeting the sandy shore, gives it a swirling caress, then sweeps back into the fathomless depths from which have surged all the tides of the mystic past . . .

In its wake along the shore is left a memorandum of its visit there--a part of the ocean from which it came. The tide not only gave, but now bears with it the sand and the shells from the face of the shore to become forever a part of the restless, wandering sea.

So are we--one tide of the eras of mankind. As we swirl upon the shore of life, we leave a part of ourselves behind--the mark of our times, our failure, and our success--to become forever a part of the shore. And the shore, in turn, gives of itself and gifts of the tides before, all to become a part of us as we join the generations of men.

# Dedication

As we sail on this sea of life, we will meet only a few rare people who will leave an unforgettable impression upon us.

As each of us is "swept into the greater tide of mankind," we must find our place in society. We wish to pay tribute to one who has successfully found her place of service. Her ideals of truth and honesty, her willingness to provide wise counsel, and her ability to bring forth the best in us, have made her a truly great leader.

She has worked faithfully as our school librarian, as sponsor of the varsity cheerleaders, and as a friend to each and every student. In appreciation of your diligent work, we wish to dedicate this, the 1964 WAG, to you--Mrs. Tess Dyer.

# *In Honor Of*

The WAG staff wishes to express its sincere appreciation to a young lady who has helped to put Graham on the map. Her charm, wit, and personality have made her a truly great person. She is extremely deserving of the crown she wears.

Her days at Graham High School have left a profound impression upon the students and the teachers alike. We can still see this young lady leading cheers at the football games, editing our school newspaper, leading the girls' basketball team to victory, and always flashing her beautiful smile. These are memories which time cannot erase from our minds. It is with deep pride that we publish the 1964 WAG in honor of Miss Jeanne Flinn Swanner, Miss North Carolina of 1964.

(1946-1963)

## Crossing the Bar

Sunset and evening star,
And one clear call for me!
And may there be no moaning of the bar,
When I put out to sea,

But such a tide as moving seems asleep,
Too full for sound and foam,
When that which drew from out the boundless deep
Turns again home.

Twilight and evening bell,
And after that the dark!
And may there be no sadness of farewell,
When I embark;

For though from out our bourn of time and place
The flood may bear me far,
I hope to see my Pilot face to face
When I have crossed the bar.

Alfred Lord Tennyson

It was not until we marched down the aisle August 28, 1963, to the strains of "Pomp and Circumstance," that we realized we were actually Seniors. We began our Senior year at G. H. S., with mixed emotions. The thrill of having attained the long-awaited status of Seniors was tempered by the realization that all too soon, this, our last year of high school, would be over.

Early in the fall of 1963, our class began chocolate sales to finance our fabulous trip to the New York World's Fair. We also sold doughnuts, and doughnuts, and more doughnuts. But all heartily agree the trip was well worth all the time and effort.

Our Class has been well-represented in sports, club activities, homecoming, and major school offices. Now, as we take a final look at our class candle, we find that it is growing dim. We have only one more event in which to participate--graduation. After graduation, we realize that the 1964 class candle will no longer burn. We can only hope our class has contributed something to G. H. S. that will keep the memory of our candle burning in the hearts of those we leave at Graham High School.

As time continued to burn our class candle past its midpoint, we returned to Graham High as upper classmen. We were looking forward to the new responsibilities to be faced this year as Juniors, for we realized this would be the year for making important decisions. Many of our classmates were elected to prominent club offices and participated in sports.

We launched our magazine sale last fall, determined to make our Junior-Senior prom the best in the history of G. H. S. The long-awaited day arrived when we received our class rings. We felt deep pride in showing off this symbol of prestige to underclassmen.

One glance at our class candle, reveals that we are about to enter the last phase of our high school career. Next year we will return to G. H. S. as sophisticated Seniors!

As Sophomores we entered this year determined to keep our candle burning brightly. We felt more confident that we were not the youngest and least experienced class at G. H. S.

We eagerly participated in club activities, sports, and studies. We began to mingle with the upper classmen and found them very friendly and helpful.

Now, as the end of the year approaches, we find that all too quickly our candle has reached its midpoint. It seems unbelievable that next year we will return to Graham High School as upper classmen.

As we entered the doors of Graham High School last August, we could not believe that we were actually in high school. Our class candle was lighted and is slowly burning.

We were unsure of ourselves as we walked into the auditorium for our first assembly at Graham High. After the initial period of adjustment at G. H. S., we began to feel a real sense of belonging. Even Freshmen can play an important part in high school.

As the year draws to a close, we know that we have made a good start at G. H. S., and we vow that next year, as Sophomores, we will keep our candle steadily burning.

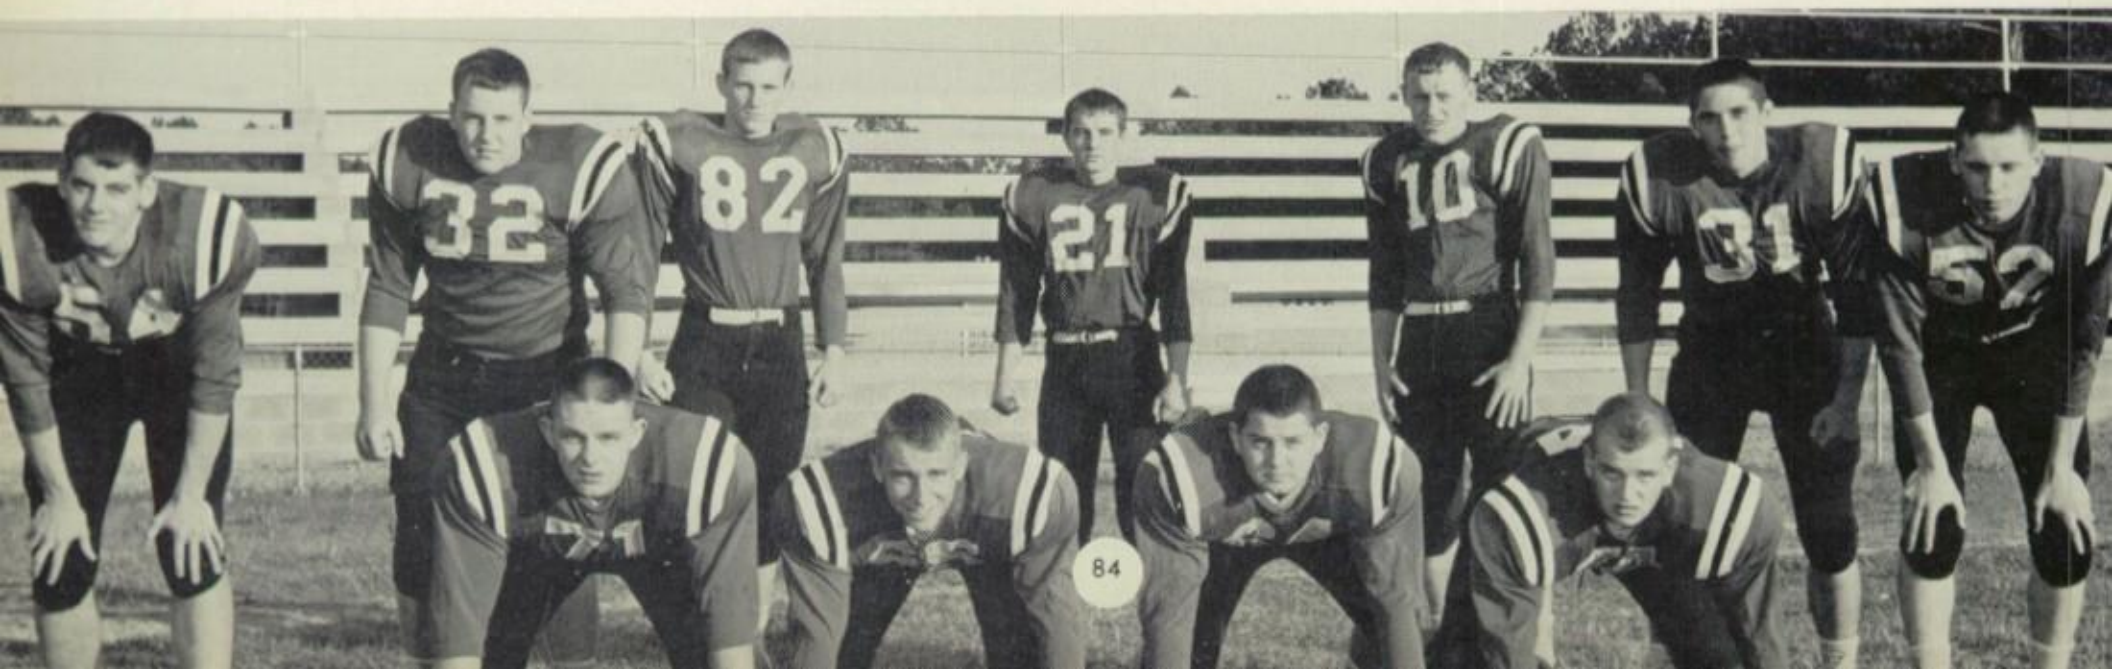
## *Red Devil Defense*



# Time of War ...

The Eagles bowed before a powerful, unyielding single wing offense of the Red Devils.

(28-0)

Chapel Hill

Although statistics don't count in scoring, one has to say the Warriors were just lucky.

(0-7)

Reidsville

Eastern

Credit for our win over the Wildcats goes to Gale Miller's toe! The extra point broke the deadlock--Devils victorious!

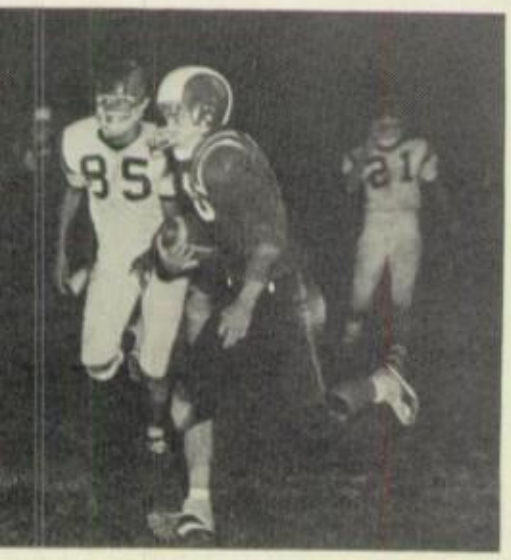
(14-13)

S.E. Guilford

The Devils showed their true colors tying the future State Champs. We out played 'em all the way!

(13-13)

Madison-Mayodan



After a rough first half, the Red Devils showed their horns, winning this one hands down!

(25-6)

Roxboro

It seemed we just couldn't miss--everyone played and everyone scored!

(69-13)

Southern

Not being able to get their passing attack moving in the rain, the Red Devils bowed to Roxboro.

(0-6)

Moorehead

The Red Devils outplayed those Rebels from Southern and came out the victor once more.

(7-0)

Eastern

Football coaches have nightmares about this kind of game! Nothing goes right--everything wrong.

(13-33)

The Red Devils ended a tremendous season. The Eagles could not get rolling but bowed a second time.

We have really had a "blast" in Biology this year. I will never forget the "fun" we had dissecting all of those "slimmy" worms and frog and the rest of those awful yuking things. Ann,

I have certainly enjoyed being your friend (good) this year. I can really say we have had some great times together. I can certainly say we have been great friends and had a marvelous time.

Ann, I do hope and pray that your future will be a bright one because if anyone deserves it, its you. I know we've had our ups and downs but when I think of our good times the bads ones vanish.

I would like to say you are a fine Christian girl and have a great personality. Your smile is sweet and is really sweet.

I realize after next year we will be leaving 'good ole Graham' and I sincerely hope our friendship will continue. I know that our friendship is a lasting one and with God's help we will always have a place for each other in our hearts.

Ann, I can say from the bottom of my heart, you have really been a true friend. In times I've needed someone to talk to, you have been right there. You have listened when no one else would. I do hope our friendship will continue thru the years.

May God richly bless and keep you always and may you receive the best life has to offer.

Love always
from a friend,
Emily Jean

Haystack,

It's been a real Blessing to know one (HA) of the greatest Christians I know. Your great sense of humor and talent for cheering people (mainly me) up has really helped me. I hope you stay the same always; serving Christ and living the life. May you gain strenght and power for Christ everyday. you have a great testimony, always keep it for the Lord, (I hope he convicts you for being over-weight)! I'll always remember you and the girls at Church as some of the greatest I know anywhere, (Especially one). you've been a great help to me. "Sob" May the Lord bless you in whatever you do for his glory! Like I told you I can't express what I'm thinking, but its all good (HA). Well this is all I can say for now!

Your Brother In Christ

Ann,

It has been a true blessing to know you, and this year I have gotten to know you alot better. Your friendship means very much to me, I hope that we may always be friends, if something should happen there would be a missing "link" in my life, for your friendship is great to have. You are a wonderful Christian and it is very hard to find one like you (because you are so odd!). Really your humor and your Christian ways make you a wonderful person to know. I don't know what I would have done if it hadn't been for having you in the same lunch period and walking home (when you walk).

Though we have cut each other left and right everytime we turn around it has been loads of fun. I want and hope very much to be in some if not all of your classes next year, when we will be Seniors! Imagine us as seniors, this is hard for me to believe.

May God Bless and keep you in everything you do throughout your life. You are one true Christian that I will always remember.

Love always,

Terry

Ann

Good luck next year in everything that you attempt. I hope that all your trials and misfortunes will be little ~~things~~ things. I hope that all your trials with your many boy-friends turn out to be very successful.

Sincerely
Mr. Williams.
